Syncfusion is looking for hard-working budding developers who are looking for challenging roles to transform their careers. If you like working on simple and repetitive tasks you will find our work environment challenging (to put it mildly!). The journey will be tough but after a couple of years working with us, your career will become recession-proof and can withstand any adverse job markets.

Roles and Responsibilities:

- Perform manual and automated testing under tight deadlines.
- Be responsible for accurately recording issues with all relevant details.
- Able to switch between products and platforms with ease.
- Handle other tasks as assigned.

Qualification: BE/ B.Tech, ME/ M.Tech, M.Sc (CS, IT), MCA.

Eligibility Criteria:

- 2024 Graduates with minimum 65% in UG and PG
- Minimum 75% in SSLC and HSC (HSC mandatory)
- Must have completed the testing course with a certificate. The course duration must be a minimum of 3 months and above. The course duration must be mentioned in the certificate.
- No gaps of any kind

Benefits:

- Competitive compensation packages
- Permanent work from home option (**After probation period**)

Venue: -

Syncfusion Software Pvt., Ltd.

AJ-217, Eymard Complex,

4th Avenue, Shanthi Colony,

Anna Nagar, Chennai - 600040.

Interested and Eligible candidates can come for walk-in on February 18th and 19th, 2025 at 9.00 AM.
